About Charles Fay

Charles Fay, Ph.D. is a parent, author and consultant to schools, parent groups and mental health professionals around the world. His expertise in developing and teaching practical discipline strategies has been refined through work with severely disturbed youth in school, hospital and community settings. Charles has developed an acute understanding of the most challenging students. Having grown up with Love and Logic, he also provides a unique... and often humorous perspective.

About Love and Logic Institute

Trusted for over 40 years, Love and Logic is a philosophy founded in 1977 by Jim Fay and Foster W. Cline, M.D. It is the approach of choice among leading educators, parents, and other professionals worldwide.

The Love and Logic Institute is dedicated to making parenting and teaching fun and rewarding, instead of stressful and chaotic. We provide practical tools and techniques that help adults achieve respectful, healthy relationships with their children. All of our work is based on a psychologically sound parenting and teaching philosophy called Love and Logic.
