Learn How to Tame Unruly and Disrespectful Kids
- A Day of Love and Logic with Jim Fay and Dr. Charles Fay
Golden, CO
Thursday, February 27, 2014

For a one-day conference in Boise, ID in April, join this father-son duo, child behavioral expert Dr. Charles Fay and renowned parenting expert Jim Fay as they offer the most practical advice and steps to parents, educators and mental health professionals on how to effectively handle unruly kids - transforming them into respectful and responsible children. You won't want to miss this rare opportunity to catch Jim and Charles together, live!

At the conference, to be held at Nampa Civic Center, from 8:30 A.M. to 2:30 P.M. on Thursday, April 17, 2014, attendees will gain new strategies that they can use immediately for:

- Solving the 3 D's in kids- Disrespect - Defiance - Disobedience
- Learning how to take care of yourself first even if others around you are being counterproductive
- Using fun and strategies for staying out of un-winnable power-struggles or disagreements at home or in the classroom and maintain a positive environment
- Battling the curse of youth entitlement - and winning
- Mastering a powerful process for helping children and teens develop self-regulation
- And many more skills for staying sane in an often insane world – thousands have been helped across the country - this is your chance to learn from them!

Admission is $99 per person - seating is limited - register early. For more information, visit www.loveandlogic.com or call 800-338-4065. They are also available for interviews; contact Monica at 303-278-7552. For additional story ideas and topics, visit www.loveandlogic.com/join.

About Jim Fay

Jim Fay is one of America's most sought-after presenters in the fields of parenting, positive discipline, and classroom management. With over 30 years of experience in education as a teacher, principal and administrator, he saw the need to structure the classroom, the schools and the home in a way that would build positive relationships with children. The structure would teach children responsibility and self-discipline, while still giving kids the message that adults cared about them.

About Charles Fay

Charles Fay, Ph.D. is a parent, author and consultant to schools, parent groups and mental health professionals around the world. His expertise in developing and teaching practical discipline strategies has been refined through work with severely disturbed youth in school, hospital and community settings. Charles has developed an acute understanding of the most challenging
students. Having grown up with Love and Logic, he also provides a unique…and often humorous…perspective
